

Extra, Extra!

“MCPA Crime Prevention Cards are coming!”

The Minnesota Crime Prevention Association (MCPA) in cooperation with the Minnesota Twins, Park Printing and Fox Sports North announces plans to provide MCPA Members with Minnesota Twins crime prevention/safety trading cards again this year!

The cards will feature eight Minnesota Twins players and a McGruff card. All cards will relay important safety and prevention information. We hope to again offer Minnesota Wild cards in the fall. The MCPA has provided crime prevention/safety cards to its members for the last 25 years and is proud to provide that service again this year.

The cards will be distributed to current MCPA members who have paid their 2008 dues by February 29, 2008. Those qualifying members will be notified by e-mail of their distribution location and contact person.

A distribution date has not been set yet but look for details to follow.

Tips for use of the cards:

- ↪ Have patrol officers hand out one player card each week for 9 weeks.**
- ↪ Have patrol officers hand out in complete sets.**
- ↪ Hand out cards to children at big events like National Night Out, open houses, or county fairs.**
- ↪ Distribute to children attending Safety Camp, Bike Rodeo's, Neighborhood Watch meetings, D.A.R.E. classes, or other safety related activities sponsored by your department.**
- ↪ Develop safety lessons to go along with each card.**
- ↪ Hand out to Scout groups, athletic associations for use with their ceremonies/celebrations.**
- ↪ Hand out at tours of your department.**

For questions about the Crime Prevention Card program, contact Committee Chair Officer Nichole Korth, New Hope Police Department at 763-531-5140 .
